ABOUT THE COVER . . .

The program cover for today's game is another way of depicting
the autumn leaves when they turn their many shades following the near-
ing of winter. To some, the golden color may bring memories of the
golden era—when you played a role in the fortune of your own football
team.

Tonight's Game

Indians Have Fine Speed

Tonight's football game features the Southern Colorado State College Indians and the Fort Hays State College Tigers in a non-conference tilt for the Bengals.

Southern comes in 2-3-1 on the season and faces the 2-3 mark of the Tigers. The visitors have lost to Panhandle State (Okla.); Western New Mexico University; and Fort Lewis College (Colo.) Wins have come over Washburn University and Emporia State College. The lone tie was with Colorado State College at Greeley.

The Indians handled the Washburn Ichabods 20-0 at Pueblo and walloped Emporia State 34-6 also at home. In this respect at least, the two squads meeting tonight should be about even. FHS defeated Washburn 35-0 and Emporia State 26-7.

Pacing the Southern Colorado attack is speedster Frank Hester. The Clinton, Okla., senior packs 190 pounds on a 5-8 frame and sparkles in the running department. He has totaled 337 yards on 106 carries for the Indians this year. He is capable of breaking the distance at any time. Tiger footballers from a year ago remember Hester for the 35-yard sprint for a touchdown in a losing cause. To date this season, Hester has scored six touchdowns.

Helping Hester in the offensive department are punt return specialist Isaac Barnes who boasts of a 31.9 average on seven returns; Ron Freeman who has returned five kickoffs for 91 yards; quarterback Mike Mooney who has completed 26 passes of 63 attempts for 321 yards and a touchdown; and ends Rudy Wichmann and Dick Brobst who have both caught passes for more than 100 yards.

On the local scene, FHS enters the contest with two straight wins (both in conference action) and would like nothing better than to even its mark at 3-3 on the year with a victory over the invading Indians. The Tigers will probably not see much action from halfback speedster Ron Goates who was injured in the Emporia State game. His able replacement Jerry Harrison will open at running back for FHS.

FHS continues to dominate conference statistics after the completion of two league contests and three non-league tilts. The Tigers lead the other schools in rushing offense; passing defense; and total defense and are second in rushing defense and total offense. FHS ranks fourth in passing offense.

In the individual departments, the Tigers have six people listed. Ron Goates' six yards per carry average is tops in the conference in rushing and teammate Rich Dreiling is third in the league with a 4.1-per-carry average. Leo Hayden ranks third in passing and third in total offense; John Covington's 34.9-per-kick average is good enough for fourth; and Dreiling's 24 points tie him for fifth in the league.

Next Week's Game

Next Saturday afternoon Fort Hays State's football Tigers will meet their sternest test to date in conference play when they tangle with bruising Pittsburg State College at Pittsburg. The Gorillas have posted the best overall mark of any CIC school this season going into today's contest with Emporia State. Pittsburg is 4-2 overall and 1-1 in league play. Twenty-two lettermen reported to first-year head coach Tom Lester at the beginning of the season and they have been doing the job. The Gorillas played Omaha a close game (26-21) and proved that they will be no pushover and that they too would like a part of the CIC crown. Game time at Brandenburg Stadium is 1:30 p.m.

Last Year's Game

Last year's FHS-Southern Colorado State game ended in a 38-21 win for the visiting Tigers. Behind the five-touchdown spree of quarterback Bob Johnson, FHS made the Indians its fifth straight football victim. FHS scored first and rolled to a 19-7 halftime lead. The Tigers fairly blew it open in the third period scoring 19 more tallies. Southern added a touchdown in both the third and fourth quarters but the damage was done. Johnson, who scored on runs of 1, 2, 3, 6, and 7 yards, has since been graduated. Tiger ace Rich Dreiling scored once on a one-yard plunge.

FHS Has Guests Tonight

Fort Hays State College has as its guests tonight many firms and individuals who help support the athletic program through grants-in-aid and employment, and many Boy Scouts and their leaders from the western half of Kansas.

FHS salutes and thanks those who have helped the athletic program this year and down through the years. The support has been tremendous in the past and was even more gratifying this year.

Also in attendance tonight are more than 500 Boy Scouts representing more than 20 scout troops. FHS annually hosts and recognizes area scouts for their achievements.

Basketball Outlook Is Good

Basketball practice is officially under way at FHS and eight lettermen and two provisional lettermen were greeted by head coach Chuck Brehm and his staff.

The return of so many lettermen and the addition of some outstanding junior college cagers give the basketball outlook one of encouragement. FHS opens a 22-game slate Dec. 2 with Southern Colorado State at Sheridan Coliseum.

Returning lettermen included Fred Andregg, Hoxie; Mike Miller, Topeka; Gene Rider, Haysville; Mike McAtee, Ellsworth; Bill Bray, Glasco; Jack Georgeson, Lenora; Steve Salter, Garden City; Francis Gronewaller, Beloit; and provisional monogram winners Jim Ater, Topeka; and John McEwen, Kansas City.

Tonight's Opponent-Southern Colorado

Frank Hester

Established by legislative act in March, 1961, and opening its doors for classes for the first time in September, 1963, Southern Colorado State College is a four-year, state-supported college under the direction of the Trustees of the State of Colorado.

The college strives to meet the educational and vocational needs of a growing community, state and nation by offering terminal courses of study as well as two-and-four-year programs. SCSC is accredited by the North Central Association of Colleges and Secondary Schools.

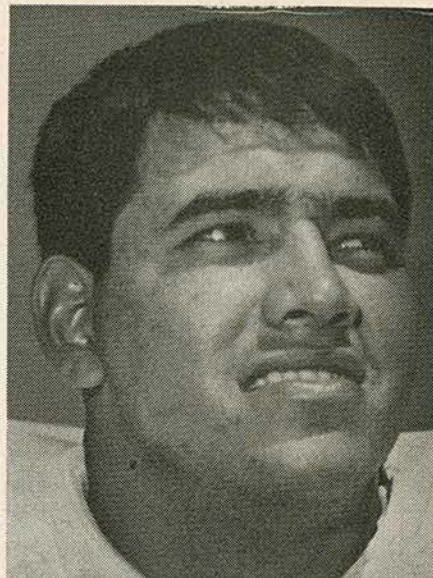

With a total enrollment of 6,200 students in the fall of 1967, SCSC is the fastest growing college in Colorado. It is situated on a duo campus—the elder, picturesque Orman campus, located on a 54-acre tract in southeastern Pueblo, and the modern \$30 million-plus Belmont campus currently under construction in northeastern Pueblo.

Striving for a strong undergraduate program, SCSC offers Bachelor of Arts, Bachelor of Science, Associate of Arts, and Associate of Science degrees. The highly competitive school was formerly a junior college.

The head football coach at Southern Colorado is Joe C. Prater, a 12-year veteran of football wars. He is assisted by Jack Seilheimer, Ross Rosenthal, and Ernie Smith. The athletic director at SCSC is Harry Simmons who also doubles as head basketball coach for the Indians.

The Indians' colors are red, white and blue. They run from a multiple-T offensive formation.

At present Southern Colorado is an independent college having only NCAA affiliation. The Indians are among several Colorado schools who will be joining the CIC schools and others in the new Rocky Mountain Conference in 1969-70.

'68 Chevrolets

Dramatic!
Distinctive!
Daringly new!

Expect a lot of never-befores and nice-to-haves from Chevrolet for 1968. You can count on nothing being newer. Formal and fastback roof lines. Elegant new interiors with exciting colors, fabrics, and easy-to-reach instruments. Concealed headlights, Hide-A-Way windshield wipers, and refreshing Astro Ventilation, available on many models.

NEW SILENT RIDE.

More effective body and engine mounts, quieter exhaust systems, and further improved shock absorbers. The result? Every new Chevrolet rides incredibly smooth and silent.

NEW MODELS, TOO.

Like the elegant Impala Custom Coupe and rugged new Chevelle Nomad Station Wagons. For the serious sports fan, there's the completely re-styled Corvette Sting Ray, and the Chevelle SS 396 with long-hood short-deck styling and a wider wheel

stance to make it cling to the road better. Camaro, "The Hugger," features Astro Ventilation, and special hood on all SS models. What's more, there's a larger 307-cubic-inch V8 standard on Chevrolet, Chevelle and Chevy II models for '68. On most automatic transmission models, there's even a built-in heater that warms air en route to the carburetor and increases engine efficiency during cold weather. The new GM exhaust emission control is standard.

PROVED SAFETY FEATURES.

The famous proved GM-developed energy absorbing steering column and many other popular safety items are back again. Plus new features like energy absorbing front seat backs, safety armrests that shield door handles, side marker lights, and seat belts for all passenger positions. Be smart. Be sure.
